

CRCPD 2018-2019 Update

Organization of Agreement States Meeting

Karen K. Beckley, M.P.A., M.S.

CRCPD Past-Chair

August 19, 2019

We have relocated!

112 E. Main Street , Suite 1
Frankfort, KY

A Partnership Dedicated to Radiation Protection

We had a great meeting in Alaska!

A Partnership Dedicated to Radiation Protection

We were honored with great speakers...

A Partnership Dedicated to Radiation Protection

There were many dining options...

A Partnership Dedicated to Radiation Protection

We presented colleagues with awards.....

A Partnership Dedicated to Radiation Protection

And we certainly appreciate our Partners

29th National Radon Training Conference

The 29th National Radon Training Conference that will be held at the Hyatt Regency Grand in Denver, Colorado, September 9 –11, 2019.

A Partnership Dedicated to Radiation Protection

The Ninth International Symposium on
Naturally Occurring Radioactive Material
23-27 September 2019 · Denver, Colorado

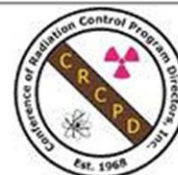

The Conference of Radiation Control Program Directors, in cooperation with the International Atomic Energy Agency (IAEA) is organizing the Ninth International Symposium on Naturally Occurring Radioactive Material.

Denver, Colorado will be the host city. This is the first time the International NORM symposium will be held in North America. The Symposium will be located at the Embassy Suites by Hilton in Denver.

Join with Industry, Scientists, Regulators and other Stakeholders in Denver, Colorado, USA. Learn how NORM is managed around the world and discuss safety and environmental impacts from NORM as well as best practices for Management. Information and Registration will soon be available at crcpd.org/NORM9
