Dear Mr. White,

The OAS Executive Board (Board) appreciates the opportunity to comment on RCPD-24-006, revision to the Office of Nuclear Material Safety and Safeguards procedure SA-10, Oversight of the National Materials Program. After reviewing the revised procedure, and after soliciting comments from our Agreement State partners, the Board has the following comment:

1. At the initiation of the procedure review, Keisha Cornelius was the Chair as noted on the cover page of the procedure. However, after the OAS annual meeting, Beth Shelton is now the chair and the cover page should be revised.

Once again, the Board appreciates this opportunity to comment. We are available should you have any questions or need clarifications to our responses.

Sincerely,

Beth Shelton, Chair
